

Women Changing the Face of Agriculture  
March 4<sup>th</sup>, 2022 – Carl Sandburg College, Galesburg, IL

## COVID Requirements

The guidance for Carl Sandburg now requires all guests ages 12 and older to provide certification of a statement that they have had a COVID-19 vaccination or a negative COVID-19 PCR or rapid test taken within 7 days of the event.

Upon entry to the Women Changing the Face of Agriculture Event, it will be verified that the teacher/chaperone/professional has filled out the Entry Survey. On the entry survey, each attendee will be required to verify the following statement. Multiple people can be certified in one submission. Carl Sandburg or WCFA will not be requesting proof or any personal or medical documents.

*“Each person attending the Women Changing the Face of Agriculture Event listed on this survey has either:*

- *been vaccinated for COVID-19 or*
- *has received a negative COVID-19 PCR or rapid test taken within 7 days, or*
- *has a government-issued documentation of the date of the positive test and clearly stating the individual's isolation return date.”*

The week of the event, a google form survey will be sent to the contact person for each school/organization/company. This survey can include multiple people or distributed to other attendees for submission.

Individuals who have not filled out the Entry Survey, as outlined above, will not be allowed to enter this event at Carl Sandburg College.

An example of the Entry Survey can be found here: <https://forms.gle/Qq5phPKVc4w1SqHH8>  
This survey will not accept responses until February 28, 2022.
