

2024 IMPACT REPORT

"You are more powerful than you know, and the world needs you to be that."

*JULIANA STRATTON
LIEUTENANT GOVERNOR
2024 WCFA Speaker*

"The young woman have been very interested in the program and this is a great event to show them different possibilities within the USDA Natural Resources Conservation Services."

*-Theresa Guss and Katie Rebbe
2024 Ag Professional Attendees
USDA - NRCS*

"The agronomy side of things really has peaked my interest and relates back to my current pathway. Being able to see and all different aspects of the industry puts a new perspective on my everyday life and future goals."

*-Addi Wessel, Bureau Valley
2024 Student Attendee*

WCFA 2024 by the numbers

500 High school female students and 85 advisors from **80** IL schools attended WCFA 2024.

75 professionals representing **32** companies discussed career opportunities with the future leaders of ag.

In 15 years of WCFA we have given **63k** in scholarships to female students pursuing an ag related degree.
