

GROW THE FUTURE OF AGRICULTURE WITH WCFA

For 17 years, Women Changing the Face of Agriculture (WCFA) has inspired and empowered the next generation of women in ag — awarding over \$68,000 in scholarships and connecting thousands of students with leaders like you. Together, we are propelling the conversation forward and lifting future women in ag higher.

Be a Game-Changer

As a sponsor of Illinois' largest High School ag career fair, you'll:

- » Elevate your brand as a leader committed to inclusion and innovation in ag
- » Engage directly with high school and college women eager to learn from you
- » Empower the next generation of bold, capable women to pursue their purpose in agriculture, food, and natural resources

Your Story Inspires. Your Support Matters.
Be the reason a young woman believes she belongs in agriculture

OPPORTUNITIES TO PARTICIPATE IN WCFA 2026

AG SKILLS SESSIONS

March 6th you have an opportunity to lead a hands on ag skills sessions. These are 30 minute, interactive, hands-on sessions to expose the student participants to different careers in agriculture.

CAREER FAIR

This portion of our event on March 6th is where professionals are able to share their personal career path and about their company. Our goal is to give the opportunity for these girls to see the range of careers that agriculture can offer!

NEW FOR 2026

You'll have the opportunity to participate at a Spring 2026 WCFA Regional Event at Joliet Junior College. A more intimate event, your logo and support will be proudly displayed with a chance to lead hands on skills session and in a career fair.
